

# Sermon Notes - People of Radical Commitment

# Become Week 5

## People of Radical Commitment

### **Discussion Starters** (choose 1 or 2)

1. Share your story from this BECOME journey. How has it strengthened you?
2. What challenged you the most in these past weeks?
3. What did you learn that you either didn't know before, or hadn't thought about much?

### **Watch Week 5 Become Video** (video can also be viewed at [extendgrace.org/become](http://extendgrace.org/become))

### **Main Thoughts**

1. What you are committed to reveals your heart. Matthew 6:19-24
2. When we are committed to Him, God seeks to do exceedingly abundantly more than all we ask or imagine. Ephesians 3:14-21

### **Read Ephesians 3:14-21** (as a group)

On your own consider each question and jot down your thoughts in the spaces provided.

Do you believe God can do exceedingly abundantly more both IN you and THROUGH you during this BECOME season? What do you think that might look like? What do you hope to learn/ how do you hope to grow in these next two years?

What is your largest prayer for your own spiritual growth over these next two years as God shapes you and molds you into the person He is growing you to become? What is your prayer and hope for Grace Church during these next two years?

How will you leverage the spiritual change in you over the next two years to influence others to live their lives more closely with Jesus, and to express more love to people (such as your children, co-workers, friends, family, and others in your circles of influence)?

Take time to discuss as a group.

---

**PRAYER**

Lord, we pray that we would continue to trust You as we walk out our commitment to You and Your kingdom. Continue to show us Your faithfulness as You continue to work in our lives.
