## SOUNDTRACK OF TRUTH

### GET TALKING

What is the craziest thing that you believed as a kid?

### MESSAGE HIGHLIGHTS

- Myths of truth: unrealistic, restrictive, relative, impersonal
- Truth is: treasured, discerning, sustaining, protective, focusing, personal, authentic
- Truth is relational
- How do we build a truth playlist: Seek God relationally, internalize His word, learn all you can, talk about truth, live and love truth

### DIG IN

- Why do think human beings have always struggled with God's truth?
- Of the four myths mentioned, which myth do you think is the most accepted in our culture today?

### Read Psalm 119:162-168

- In verse 162, why do you think that God's word is like a "treasure" to the Psalmist? What do you think holds us back from valuing God's Word?
- Look at the rest of these verses. What other benefits are received from the truth in God's word?
- What happens to us when we try to hold onto truth without relationship? Do you believe or accept truth from someone you don't trust?
- Read Romans 12:2. For many of us it is easier to conform to the world or even the "church" world rather than allowing God to transform us. Why do you think it is easier to conform to truth that can be "free-formed" or based on rules, than to live out of a transformed life that let God's truth inform everything we do?
- How do we build a truth playlist? Looking at the list above, which one is the most difficult for you? Which one would help you the most to move toward building your playlist of truth?

***BIG IDEA: The truth soundtrack is a love song that transforms our hearts so it can inform our everything!***

### NEXT STEPS

How do we build a truth playlist? Lies can play loudly in our heads, and God's truth can easily be crowded out. If we are not building truth in our lives, it is easy to get discouraged and confused by clinging to a truth that is free-formed. This week, how are you going to continue to build your playlist of truth? What do you need to add or change to your daily routine to allow God's truth to transform you?

### Prayer

In your prayer time, pray that as a group you would stay in step with the Spirit of God and surrender to His leading as you take steps toward adding more of God's truth into your lives.
