“And he said to him, “You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself.” - Matthew 22:37-39

We are committed to follow Jesus’ command by reaching outside the walls of our building to BE the church in our local community. Serve The City is one way we do that!

- **Choose A Project** - We’ve set up opportunities for you to serve with our local partners to share the love of Jesus in some practical ways alongside others from Grace. Who knows… you might discover a place where you want to continue to participate going forward!

- **Connect With Your Group And Have A Meal On Us** - For the first time ever we are having a Kick-off event to start Serve The City on Thursday, May 2 at 6:30pm! There will be a casual dinner while you hear about the vision and mission behind Serve The City. Meet others who will be serving alongside you, pick up materials about your project and an Extend Grace T-shirt. Don’t miss it!
