

## BECOME An Equipped Church

A big part of being an equipped church is coming alongside people to help them grow spiritually through serving, connecting in a group, and engaging in the life of the church. That's why we designed Jump Start. During this three-week experience each participant is linked up with a table host for encouragement, to build relationships in their table group, to find community, and to discover how to use their gifts and passions for God's mission. A behind-the-scenes tour gives a glimpse into the various ministries at Grace, as well as a little fun (a trip down the slide at Roseville is part of the tour)! Still figuring out where you fit at Grace? The next Jump Start begins May 5 at both Roseville and Grace North.

*"God has really taken care of us, especially this past year. Within six months we were in a new job, new home, and we were getting married. We were just overjoyed with all the support. For that, and just being able to say financially we can give more, challenges us to do just that... We just want to thank Him for giving us the opportunity to find such a great church and community behind it. We have grown to really appreciate His message at Grace."*

*- Jack and Emmy Deutsch*

## BECOME An Expanded Church

Grace North has continued to experience growth since the launch on February 3. Each week we welcome new guests from the community. We offered our first Jump Start to help these guests plug into serving, connect in groups, and engage in the life of the church.

We are reaching many young families! The children's ministry is about 1/3 of our entire weekend attendance. An awesome children's team transforms space at Centennial High School into a fun, colorful, and safe environment for these kids every Sunday.

We're looking forward to the North Easter Egg Hunt and our first Easter celebration service as we build relationships in the North community.

## BECOME An Extended Church

### The Church In India

The church at Katihar continues to grow numerically and spiritually. Progress continues on the building that will give this congregation a place to worship together and be equipped to live out their faith.

### Sheridan Story Weekend Food At Little Canada Elementary School

We continue to feed 50 kids every weekend. As a result of this partnership and the relationships we're building there, we are able to participate in other opportunities to serve this school during Serve The City.

### Unity Park Playground

The playground has been built and families in the Marion neighborhood in Roseville are enjoying this fun gathering place. During the upcoming Serve The City we'll be doing some park clean-up and continue to build relationships with the neighborhood.

Serve The City

# YOUR CONSISTENT GENEROSITY IS CHANGING LIVES!

Anticipation. It's powerful, it's hopeful, and it strengthens faith. I am anticipating God's continued movement and our continued effectiveness in His kingdom mission. We are all a community; a family together. As we always say, "we can do more together than we could ever do on our own." God has chosen to work in our church in some remarkable ways. I was blown away by how many people signed the wall on the last week of our Blueprints series. We are people who are not afraid of commitment and that is so refreshing. Please take a moment to review your current commitment here to God through our BECOME initiative. While we are tracking behind where we really need to be, I'm praying that in response to this update many of us will take our investment in what God is doing here very seriously! We are eight months away from the conclusion of BECOME – let's finish strong together as we anticipate what God has ahead for us all!!

I love you all and am so grateful to be your pastor.

## BECOME GOAL UPDATES

DECEMBER 1, 2017 - March 31, 2019

### Primary BECOME Goal: 100% Engagement

**394**

Total Commitments

**280**

First-time Givers

**892**

Total Number of Givers
